

**Town of Sudlersville**  
**Commissioner Workshop Meeting**  
**January 19, 2011 at 6:30 pm**

President Faust called the meeting to order

The Pledge of Allegiance was said

In attendance were President Faust, Commissioner Ford, Commissioner Engrem, Commissioner Price, Town Manager Dave Teel and Clerk/Treasurer Nicole Hilliard

Commissioner Engrem moved to approve the previous minutes from January 5, 2011, Commissioner Price seconded the motion. Approve d 4-0

Dave Teel spoke with the Commissioners regarding the grant application that he is working on for the Library renovations. Even with the grant there will still need to be money paid out to finish the renovations. Some of the Commissioners will attend the next Library board meeting on January 26<sup>th</sup> at 7 pm to let them know that we will secure the grant if they can raise the rest of the funds.

GMB advised the Commissioners on the progress of the water tower construction.

President Faust will be checking with the school board to get their approval to present to a 4<sup>th</sup> grade class regarding Municipal Government.

Calvin Embert spoke in regards to the snow plow on the front of the town truck. He would feel more comfortable plowing the town streets with the truck rather than the tractor because of the limited space with people parking on the street, and better maneuverability with the truck. Commissioner Ford will call other places for pricing. Nicole will check with S&S Auto to see if their price has changed.

Faye Williams commended the Lions Club on the luminaries that they placed in town on Christmas Eve.

Faye Williams commented that the demolition of the Collier house seemed to have gone well.

Commissioner Price moved to adjourn the meeting, Commissioner Engrem seconded the motion.

Respectfully Submitted

Nicole Hilliard

Clerk/Treasurer
